December 18 833-850
December 25 851-895

A

Aeronautics

Airports
Airport employees. J. V. Dallin..1 684
Atlanta increases hangar and office space n*639
Baltimore—grading of three runways *532
Boston plans for Logan Airport.....n428
Broome County, N. Y. airport grading contract awarded.....n841
CAA and air industry discuss runway needs n629
CAA now revising airport program..n168
Canada—Rivers, Man. runway begun n227
Charleston, S. C. plans administration building n373
Charleston, W. Va. airport completed n*718
Chattanooga, Tenn. to convert field to Class IV airport n841
Chicago gets approval for work on Douglas airport n224
Chicago's lake-front airport roughed in n*225
Cleveland airport terminal to be built n641
Columbus, Ga. airport improvements (unit prices) 894
Denmark — Kastrup airport expanded n*769
Ellington Field, Tex. combination drain proves its value. J. M. Robertson *268
Federal airport program 1947-48 (table) 285
Fort Worth, Tex. airport approved..n718
Great Britain experiments with sowing grass under thin bituminous emulsion 523
Hangars
Argentina hangars bids called for.n558
Design and erection of portable hangar *542
Portable hangar. M. A. Karp....1 749
Rapid City, S. D. hangar..... n*3
Santa Ana, Calif. traveling scaffold moved *470
Scaffolding used for the repair of big hangars. E. S. Pashley Sr...*262
Seattle and Chicago hangars....n*375
Steel-arch hangar tested to destruction. H. E. Wessman....*539
Washington, D. C. hangars under way n*585
Imaginative engineering e859
Indianapolis issues airport bonds..n495
Indianapolis to work on Weir Cook Airport n428
Landing mat tester..... *160
Los Angeles plans downtown airport n428
Manila, Philippines, air terminal job not awarded Col. Clarence Renshaw 1 137
March Field, Calif, pavement evolution. Edward Koehm..... *122
Minneapolis to abandon Wold-Chamberlain airport..... n373
Moline, Ill. to turn airport to Metropolitan Authority n705
Muroc Army Air Field, Calif. housing contracts let n93
Netherlands—Schiphol Airport runway lengthened n768
New York City—LaGuardia Field sand for drains n*291
Newark airport leased to New York City n575
Number increases n155
Parking costs at airports. L. F. Dobry 1 823
Phoenix Sky Harbor to be started..n774
Puerto Rico—Isle Verde Airport opposed n768
Puerto Rico's San Juan airport site changed n836
Revenue record is set 136
St. Louis airport makes money.... n87
Seaplane bases urged by CAA..... n219
Siam airport to be repaired n701
Springfield, Ill. airport dedicated..n705
Standards set by CAA..... n697
Terminal Island, Calif.—mud-heaving problems solved. J. J. Rosa..... 1 137
Toledo municipal airport (unit prices) 349
Tucson's surplus airport..... n294
Navy will construct aeronautical turbine laboratory, Trenton n305
Air conditioning — Fume removal and ventilation of industrial buildings. B. B. Reilly *529
Alaska—Military construction program..n371
Test study of foundation design for permafrost conditions *404
American Associaton of Engineers Pamphlet called "Incomes of professional engineers in public employment"....n765
American Assn. of State Highway Officials New York meeting..... n437
American Concrete Institute First regional meeting n507
American Congress on Surveying and Mapping n236
American Institute of Consulting Engineers n783
American Institute of Steel Construction Miami Beach meeting..... n706
American Iron and Steel Institute charged with price fixing n237
American Public Works Assn. meeting...n503
In support of local autonomy..... e512
American Society for Testing Materials —Atlantic City meeting..... n10
American Society of Civil Engineers Dues raise defeated; directors curtail activities n555
Relationship with National Society of Professional Engineers e447
Rickey Medal award established..... n782
Survey to be made of scientific manpower for a national emergency.... n97
American Society of Safety Engineers elects president n578
American Water Works Assn.—New Jersey section meeting n638
Preconvention meeting n*88
Washington, D. C. conference..... n721
American Water Works Assn. and Federation of Sewage Works Assn. meets..n147
Apprentices—Registered apprentices in construction trades n833

Aqueducts

Boston aqueduct tunnel (unit prices)..894
Delaware Aqueduct
Fay-Bove conviction upheld by Supreme Court n3
Hetch Hetchy
New 72-in pipeline to bypass soft bottom of San Francisco Bay. N. A. Eckart *49
Pont du Gard, Roman aqueduct..... *85
Quabbin Reservoir
Bids received on water supply tunnel near Newton n637
Salt Lake City, Utah
Final contract let n217, n232
Progresses rapidly n621
San Diego Aqueduct
Extension contract awarded...n169 n627
Gravity water line contract awarded.n779
Water flows n*852

Architects

Architects and engineers. Eric Fleming 1 613
Architects in Quebec win empty victory 395

Argentina

Airport hangars bids called for..... n558
Buenos Aires sanitary system and University approved n491
Dredge for channel received n769
Five-year development plan..... n354 n444
Natural gas pipeline started..... n622
Rail line to northern Chile to be completed in February n701
Santa Cruz bridge under construction.n836
Transport facilities to be improved....n558
Asphalt see Construction materials
Associated Equipment Distributors Board of Directors meeting n14
Associated General Contractors Assn.
Agrees to sponsor reserve units for Army engineer utilization n489
Carolina branch meeting..... n722
Western Chapters conference..... n226

Atomic Power

Atom policy shift n11
Brookhaven National Laboratory for atomic research n237
Hanford atomic plant expansion planned n169
Oak Ridge, Tenn. contractor signs pact with Atomic Energy Commission..n293

Australia

Irrigation dam projects..... n491
Mass production of housing authorized n559
Mundaring Weir Dam to be raised....n768
Sydney Harbor reconstruction planned.n558
Tasmania to have new pumping system for water n837
Austria—Ybbs-Persenbeug hydro project.n355
Automobiles—Highway progress threatened by auto taxes n101

Awards

"Design for Progress" winners..... n634
Goodell prize in waterworks field awarded to L. R. Howson 55
Rickey Medal award established by ASCE n782

* Illustrated; a, abstracts; e, editorials; l, letter; n, news

Eng. Lit
Direct

B

Beams—Chart for pumice-concrete beams. A. E. Niederhoff *389
Belgium Albert Canal again open n622
Industrial rehabilitation planned n355

Blasting

Army to test explosive charges n439
Builds roads with explosives n170
Spokane, Wash. chimney felled with dynamite *538
Bolts—Does torque weaken bolts? H. O. Hill (table) 120
Bonds—Payment bonds on government work. Bonzagni & Reich 258

Book Reviews

Air conditioning. Herbert & Harold Herkimer 824
Air conditioning and elements of refrigeration. S. P. Brown 207
American miracle—the story of war construction around the world. Van Rensselaer Sill 207
American planning—past, present and future. Cleveland Rodgers 207
Anatomy of depreciation. L. R. Nash. 685
Applied engineering mechanics. Alfred Jensen 207
Chicago's report to the people 207
Compressed air handbook 686
Construction specifications of the Asphalt Institute 685
Contracts in engineering. J. I. Tucker 208
Conveyors and cranes. W. H. Atherton 479
Elements of railroad engineering. Raymond, Riggs & Sadler 824
Engineering drawing. T. E. French rev. by C. J. Vierck 685
Ground water: its development, use and conservation. E. W. Bennison 478
Heat pump. Sporn, Ambrose & Baumeister 207
Heating and air conditioning. J. R. Allen & others 69
Hot-water heating and radiant heating and radiant cooling. F. E. Giesecke. 69
House out of factory. Gloag & Wornum 69
Mechanics of materials. Laurson & Cox 70
Panel heating and cooling analysis. Raber & Hutchinson 69
Prefabricated house. R. K. Graff ... 69
Problem of reducing vulnerability to atomic bombs. A. J. Coales 69
Public investment and full employment—International Labor Office 478
Radiant heating. T. N. Adlam 69
Resistance and materials. F. B. Seely 70
The road of the century—story of the New York Central. A. F. Harlow .. 479
Speeding floods to the sea. W. E. Elam 685
Story of water supply. F. W. Robins .. 69
Surveying instruments and methods. Philip Kissam 478
Textbook of the materials of engineering. H. F. Moore 824
Water supply and sewerage. E. W. Steel 207
When the earth quakes. J. B. Macelwane 685
Brazil—Rio de Janeiro to remove 67-acre hill in city to improve traffic n700
Subway to be constructed n769

Bridge Accidents and Failures

Columbus bridge struck by lightning n*301
Conneaugh, Pa. bridge failure opens controversy n639

Bridge Construction

California causeway concrete deck forms are precast slabs *646
Chattahoochee River, Ga. girder pulled into place by hand winch *746
Excessive cost of bridges. V. P. Maun 1 343
Marysville, Calif.—Feather River high girder bridge. R. W. Hutchinson .. *814
Screed used to finish concrete bridge deck *545

Bridge Design

"Design for Progress" winners announced n634
Fiber tubes imbedded in concrete slab increases effective span. E. R. Schofield *114
Suspension
Whitestone Bridge widened and stiffened. E. L. Pavlo *466
Tahoe National Forest bridge turns curve of 110 degrees with a minimum of supports *890

Bridge Renewals and Repairs

Aurora, Ore. highway bridge erected on temporary piling alongside the old bridge n*219
France rebuilds Eauplet Bridge twice *384
Hungary
Margaret bridge repaired n*354
Italian reconstruction n*424
Little Colorado River bridge deck of aluminum panels n*855
The Rhine—how its bridges and barges are being restored. W. G. Bowman e581 *588
Seattle bascule bridge leaves relieved of hidden load 324

Bridges

Akron, Ohio
Cuyahoga Gorge bridge contract awarded n841
Angelico Creek, Va.
Concrete pavement and bridge (unit prices) 346
Argentina
Santa Cruz bridge under construction n836
Astoria, Ore.
Columns in bad shape n*773
Aurora, Ore.
New highway bridge replaces old .. n*219
Bailey bridge in Oklahoma n*766
Baltimore, Md.
Construction approved n428
Engineering contract let n357
Chattahoochee River, Ga.
Girder pulled into place by hand winch *746
Screed used to finish concrete deck .. *545
Chesapeake Bay
Engineers study crossings n722
Cleveland
Raze 60-year-old bridge n422
Columbus
Lightning damages bridge n*301
Footbridge, floating, for troop use *161
France
Aauplet bridge rebuilt twice *384
History and hydro power in southern France. W. G. Bowman (European Notebook) *82
Georgia railroad bridge uses trees for falsework n*16
Germany
How its bridges and barges are being restored. W. G. Bowman *588
Present state of prewar bridges that crossed the Rhine 592
Great Britain
Sunderland aluminum bascule bridge to be constructed n490
Hartford, Conn.
Charter Oak Bridge tolls for 5 years n569
Indiana road bridges adding to flood hazard n577
Lake Charles, La.
Calcasieu bridge bids asked n699
Little Red River bridges, Ark. (Unit prices) 346
Los Angeles, Calif.
Reinforced concrete bridge (unit prices) 618
Marysville, Calif.
Feather River high girder bridge. R. W. Hutchinson *814
Memphis, Tenn.
Pile shortage delays work n92
Milton-Madison Bridge, Ky.
Freed of toll charges n110 n563
Milwaukee
Greenfield Ave. bridge approved n786
Mystic River, Boston
Bids requested n642
New Castle-Salem bridge
Bids due on piers n788
New York City
North River bridge once planned. H. D. Hammond 1 *546
Staten Island bridge considered again n444
Whitestone Bridge widened and stiffened. E. L. Pavlo *466
North River, Wash.
Bailey Bridge saves $32,000 ..... n172
Omaha-Council Bluffs bridge
Toll bridge to be free n373
Penrose Ferry, Pa.
Abolish grade crossings for Schuylkill bridge n370
Piney Bluff bridge, Ga.
Long bridge being built n*492
Pinopolis-Wilson Landing, S. C.
Highway bridge n*771
Richmond, Calif.
Causeway concrete deck forms are precast slabs *646
St. Louis-East St. Louis bridge
Toll vehicular bridge bids submitted .n154
St. Louis, Mo.
New vehicle and pedestrian toll bridge proposed n224
San Francisco Bay
Approval of two crossing sites halts work on sailors' union building .. n*721
Calif. Toll Bridge authority approves two crossings n699
Causeway and tunnel system recommended n303
Continued debate over new crossing .. n371
Santian River, Ore.
Highway bridge n*488
Seattle, Wash.
Bascule bridge leaves relieved of hidden load 324
High ferry rates promote bridges .. n88
Puget Sound toll bridge n770
Tacoma Narrows
Bids for reconstruction n22 n571
Bonds to be sold to finance reconstruction n166
Insurance n371
Time extension asked on bonds n835
Tahoe, Calif.
Four cantilever arms fit bridge to curve of 110 degrees *890
Tampa Bay bridge, Fla.
Bids rejected n843
Plans n858
Terminal Island, Calif.
Bridge nears completion n573
U. S. Army bridges n*161
Virginia
Completes first major postwar bridge n*710
West Virginia highway bridge extra high to avoid floods n*441
Wilmington, Del.
Bid opening postponed n713 n851
Delaware River bridge test borings .. n510
To be widened to 8 lines n625
Williamsburg, Va.
Highway bridge over parkway n*767
Williamston, N. C.
Pivot-type bridge n*508

Building Accidents and Failures

Finland—chlorine blast kills 19 ..... n*837
Salt Lake City school roof collapse. n509
Utah orders inspection of school structures n556
Washington, D. C. apartment collapses n853

Building Construction

Bailey bridge trusses used for buildings n*701
Bricklaying speeded in England n559
Brownsville Houses, Brooklyn, N. Y. speeded by close scheduling *272
Built-up glass-fiber roofing for plant at Sandusky, Ohio *660
Canada lifts building restrictions n91
Cincinnati's Terrace Plaza Hotel steel erection *336
Concreting from the top down on Texas building n*506
Costs
Brownsville Houses construction costs 274
Rise not ended, advisory council hears n715
Economical formwork on current jobs. H. W. Hunt *680
"Engineered house" seen solving cost problems n375
Industrial plants packaged to order. F. S. Merritt *667
Macon, Ga. fiberboard mill construction n*720
Painesville, Ohio, veterans' housing project is a joint venture of capital, constructor and purchaser *118
Panel construction used for floors and walls. L. F. Booth *670
Pittsburgh two-story plant of precast concrete frame erected like structural steel *184
Toward low-cost building—Special section *659–683

Building Design

Arctic-type shelter for troops n92
Bethesda, Md. laboratory building for study of infectious diseases *460
Building technology division set up by National Bureau of Standards n304
Continuous beams simplify design of footings for clothing store, Tulsa, Okla. *877
Cost-saving design simplified Chicago apartment house construction. W. T. Holman *675
Earthquakes in New York. H. M. Hadley 1 748
Frames
Rigid frames reduce cost at Boys Town. J. D. Griffiths *673
Fume removal and ventilation of industrial buildings. B. R. Reilly .. *529
Hospital at Dwight, Ill. designed to achieve a residential character n*236
Hotel of ten stories set atop stores seven stories high, Cincinnati *196
Housing design for construction economy *874
Indicator measures stress caused dimensional changes 393
Industrial plants packaged to order. F. S. Merritt *667
Plastics factory, Coshocton, Ohio, poses building problems n*564
Princeton—Firestone Memorial Library design *808
Underground military installations may be put in Arizona mines n722
Windowless department store, Silver Spring, Md. n*494

Building Laws and Regulations

Basic building code draft readied for review n364
Building official looks at codes. H. A. Cobden 900
Canada—Montreal to consolidate codes n640
Chicago code to be tested n9
Chicago gets first draft of new code. n718
Columbus to permit construction of prefabricated houses n840
Earthquakes and building codes e101
East St. Louis, Ill. asks fire inspection n562
Federal Works Agency urges nationalwide code work n641
Florida's good building codes save hurricane damage n492

* Illustrated; a, abstracts; e, editorials; l, letter; n, news

Holmes building code for small jurisdictions n706
Honolulu, Wilmington, Del. and Iowa plan code revision n8
Indiana communities urged to use state building code n578
Lumas County, Ohio considers building code n441
Major cities modernize building codes. 465
Massachusetts to pass on adequacy of new materials n640
Minnesota's housing code may be reviewed n563
Model code should be functional e446
National basic building code discussion n439
Prefabrication home standard changed. n641
St. Louis to revise city's code n718
San Francisco building code revised. n287

Buildings

Amusement projects approved number 318 ..... n374
Armory program for the Navy n371
Bethesda, Md.
Laboratory building for study of highly infectious diseases *460
Boston
Garage and helicopter to be built. n494
Hancock Insurance Co. cornerstone placed n*578
Hancock Village designed for construction economy *874
New York Tel. & Tel building uses economical formwork. H. W. Hunt *681
Boys Town, Neb.
Rigid frames reduce cost. J. D. Griffiths *673
Buffalo
Hospital work to be readvertised. n231
Canada
New Brunswick paper mill planned. n641
Chicago
Apartment house design is cost saving. W. T. Holsman *675
Co-op housing n*575
General Motors building carried by high capacity piles on hardpan. Harry Caudill *315
Churches move to congregations. n*698
Cincinnati
Hotel excavation required cross-bracing. A. D. Quinn *30
Steel erection for the Terrace Plaza Hotel *336
Ten-story hotel set atop stores seven stories high *196
Cleveland, Ohio
Western Reserve University plans new buildings n17
Coshocton, Ohio
Plastics factory poses building problem n*564
Dwight, Ill.
Hospital for alcoholics n*236
Forest Glen, Md.
U. S. Army center planning contract awarded n89
Front Royal, Va.
American Viscose mill n*95
Garden City, L. I.
Panel construction for walls or floors. L. F. Booth *670
Glen Rock, N. J.
Silk mill n*779
Guam
Precast bungalows shelter Navy families *666
Guatemala
Roosevelt Hospital near completion. n*700
Hanover, Pa.
Panel construction for walls or floors. L. F. Booth *670
Hospitals for civilians
Alabama group gets first funds. n637
Houston, Tex.
Hermann Hospital foundation work started n22
Hermann Professional Building—concreting from the top down. n*506
Oil research laboratory n*778
Invokern, Calif.
Chart for pumice-concrete beams. A. E. Niederhoff *389
Ithaca, N. Y.
Cornell University soil explorations started n634
Jackson, Miss.
State office building plans n*227
Los Angeles
City and county at odds over courthouse n508
General Petroleum building—apologies for riveting noise n*574
Horizontal skyscraper n*370
Pacific Tel. & Tel building load reduced n*504
Macon, Ga.
Fiberboard mill construction n*720
New York City
Amsterdam and Marcy Houses constructed with economical formwork. H. W. Hunt *682
Bellevue Medical Center plans n163
Fairchild Publications building. n*633
Fort Hamilton, Bklyn. hospital contract awarded n303
Johnson and Lincoln housing constructed with economical formwork. H. W. Hunt *683
Macy's at Jamaica provides roof-top parking n*361
Jacob Riis housing uses economical formwork. H. W. Hunt *682
Park Avenue apartment has quick rental n*788
United Nations building plan n*497
Nutley, N. J.
Panel construction for walls or floors. L. F. Booth *670
Philadelphia
Mill building—precast fireproofing on used steel reinforces columns for re-use *464
Pittsburgh, Pa.
Precast frame for two-story plant erected like structural steel *184
Princeton, N. J.
Firestone Memorial Library design. *808
Russia
Moscow to be reconstructed n558
St. Louis
Courthouse construction n841
Salt Lake City
Chicago Bridge & Iron to build plant n716
San Diego, Calif.
Meeting hall for civic function approved n359
San Francisco
R. H. Macy constructs addition. n*704
Sandusky, Ohio
Bearings plant built-up roofing of glass fiber *660
Seattle, Wash.
Administration building n*500
Selah, Washington
Six-county hospital n495
Shreveport, La.
Veterans Hospital contracts awarded. n717
Silver Spring, Md.
Windowless department store. n*494
Spokane, Wash.
VA hospital bids asked n853
Texas City, Tex.
Monsanto Chemical plant reconstruction planned n88
Tucson, Ariz.
University of Arizona building balked by high costs n556
Tulsa, Okla.
Clothing store design utilizes continuous beams to simplify footings *877
Turkey
Ankara building boom n769
Veterans Hospitals
Bids for 17 additional hospitals to be asked n493
Contractors offered alternate type bids n3
Design revisions fail to halt hospital work n357
High cost to cut space n232
Revisions in plans n637
Wales
Port Talbot steel works n769
Washington, D. C.
Georgetown University Hospital open n*231
Washington Park, Ill.
Plant geared to produce prefab houses n*302
White Plains, N. Y.
High school building started n842
Whitemarsh, Pa.
Precasting speeds house erection. *664
Wilkes-Barre, Pa.
Veterans Administration office building finished n*307

C

Canada

Controls on construction industry ended n445
Engineering departments reorganized. n578
Home building costs continue to rise. n571
Labor law provisions broadened n2
Permits entry of German scientists. n17
Subsidized housing suggested n560

Canals

Belgium
Albert Canal again open n622
Calumet-Sag Channel viewed by western editor *241
Canada
Lachine Canal report of 1926 to be reviewed n443
Central Valley project, Calif.
Canal and pumping plant contract awarded n92
Chain of Rocks Canal, Miss. locks no. 27 (unit prices) 284
Chain of Rocks Canal work to start. n767
Columbia Basin distribution canal lining n*304
Delta-Mendota intake canal and Tracy pumping plant, Central Valley, Calif. (unit prices) 482
Florida Everglades water to be controlled n17
Friant-Kern Canal
Siphon being built n*699
Greece—Corinth Canal still blocked by rubble n*622
Oklahoma irrigation canal soil-cement lining placed mechanically. Byrne & Holtz *860
Panama Canal
House group would delay work
Report on canal
Sea level canal recommended
Tide locks in canals. Herman Jansson
Weeds along banks sprayed from mobile unit

Cement

High costs increase price
Plastic soil-cement lining placed mechanically in Oklahoma irrigation canal. Byrne & Holtz
Chimneys—Spokane, Wash. chimney felled with dynamite
China—Report on China's sanitation progress
Cities—see Municipal problems, Public works
City managers—Omaha, Neb. studies manager plan
Civilian Production Administrator—Connecticut office closed
Coal—the Marshall Program; a report by the McGraw-Hill Dept. of Economics
Colombia—Anchicaya hydro project now under construction
Rio Grande project partially constructed
Columns—Precast reinforced concrete around old columns done in re-erecting mill building, Phil.
Compressed air—Pasco, Wash. uses compressed air to prevent freezing in open-air filter plant units

Concrete

Aggregates
Davis Dam aggregate protected from sun by wooden shed
Lightweight pumice aggregates in telephone building
Air-entrained, dump-truck-delivered slag concrete used for Toledo grain elevator
Chart for pumice-concrete beams, A. E. Niederhoff
Clay's use in concrete
Divers dam Chicago water tunnel to confine tremie concrete plug
Forms
California causeway concrete deck forms are precast slabs
Concreting from the top down on Texas building
Economical formwork on current jobs. H. W. Hunt
Large movable forms used at Columbia Basin project
German lightweight concrete described in report
Mix
All-solids fineness modulus simplifies mix design
Order of mixing affects concrete strength
Portland Cement Assn. starts training course in concrete making
Precast
Bungalows shelter Navy families on Guam
Pittsburgh two-story plant of precast concrete frame erected like structural steel
Precasting reinforced concrete around old columns done in re-erecting mill building, Phil.
Speeds house erection, Whitemarsh, Pa.
Reinforcing
Fiber tubes imbedded in concrete slab increase effective span. E. R. Schofield
Slab strengths compared

Construction

Appropriations for federal work
Bills pertaining to industry speeded by Congress
City building booms
Congressional actions summarized on non-appropriation engineering bills
Costs
Construction costs to continue high. H. A. Ward (chart)
Excessive cost of bridges. V. P. Maun.
From the construction news ticker
High costs hamper building
Not coming down
1946 volume lower
Fireproofing costs in bids. Harry Wolf
Fleming foresees increased construction for next year
NAM reports on housing industry
1947 construction volume
President signs new rent-control bill removing most curbs on construction.
Private building shown upward trend
Producers' Council estimates 1948 construction
Toward low-cost building—special section
U. S. Dept. of Commerce reports on construction increase
Week ending Dec. 4 hits high production

• Illustrated; a, abstracts; e, editorials; l, letter; n, news

Construction Equipment

Cranes
For France n*365
Kiln needs special crane n*421
Navy builds world's largest crane *878
Whirler cranes build Bluestone Dam, W. Va. *106
Dredges—See Dredges & Dredging
Elevator-conveyor combination n*308
First showing of new sanitation equipment 153
Hopper for housing n*641
Joints in concrete pavement sealed by truck mounted rig *204
Landing mat tester *160
Lift—Air-oil lift speeds handling of chemicals *277
Nails for best service. T. H. McKaig.. 477
To correct the nail shortage. F. R. Nichols ..... l 275
Pile-driving rig, collapsible, moves from job to job *822
Rake speeds compacting *412
Road engineers approve present equipment n561
Roller-straight edge to test pavement surface. R. E. Steele *477
Scaffolding
Small crews use simple scaffolding for repair of big hangars. E. S. Pashley, Sr. *262
Traveling scaffold used at Santa Ana, Calif. naval air station *470
Trees for falsework n*16
Screed used to finish a concrete bridge deck *545
Screens
Mobile screening plant made from obsolete equipment. C. B. Shain *278
Snow melter *161
Sweeper, magnetic *160
Tools for better engineering. R. F. Blanks *380
U. S. Army Engineers' Show *160
Construction Industry Advisory Council
Building cost rise not ended n715

Construction Materials

Asphalt-asbestos metal questioned as fire risk n702
Asphalt tile making standards may be changed n634
Concrete made with pumice aggregate.. n504
Dept. of Commerce reports drop in production of construction materials.... n421

Dams

Allatoona Dam, Ga.
Appropriation for construction n290
Dam takes shape behind cofferdams.. n834
Anderson Ranch Dam, Idaho
Funds to resume work n240
Reclamation's biggest earthfill dam. D. S. Walter *396
Angostura Dam, S. D.
Appropriation for work n240
Concrete pouring stopped by winter.. n838
Cutoff trench ready n*360
First concrete placed n290
Archeological remains on damsites to be saved n422
Austin, Pa. dam
Court holds owner liable for damage in collapse of old crib dam 807
Australia
Mundaring Dam to be raised.. n289, n768
Barker Dam, Colo.
Refaced with precast concrete 600
Bixby Dam, S. D.
Appropriation for work n240
Bluestone Dam, W. Va.
Concrete placed by whirler cranes.... *106
Bosque River, Tex.
Appropriation needed for dam n444
Box Butte Dam, Neb.
Appropriation for construction n240
Boyesen Dam, Wyo.
Appropriation for dam n240
Contract awarded n333
Buggs Island Dam
Construction advanced within cofferdam n*835
Bull Shoals Dam
Work started n172
Canada
Aquasabon Dam hydro plant for paper mill n*572
Conestogo Dam sub-soil investigations. n713
S. Saskatchewan River dam started.. n217
Canyon Ferry Dam, Mont.
Appropriation for construction n240
Cascade Dam, Idaho
Funds for dam n240
Near completion n*722
Payette River diversion started n226
Cedar Bluff Dam, Kan.
Funds for construction n240
Clark Hill Dam, Ga.
Contract for construction awarded... n788
Columbia Basin Project
Early construction of dams recommended n767
Fishermen urge delay on work n80
Concho Dam, Tex.
Work started n23
Conemaugh Dam, Pa.
Railroad relocated above dam *176
Davis Dam, Ariz.
Concrete aggregate protected from sun by wooden shed *448
Funds to be appropriated n235
Living accommodations greatly improved n172
Dillon Dam, Ohio
Work stopped n290
Elephant Butte Dam, N. M.
Appropriation for work n240
Flambeau River, Wis.
Dairyland Co-op to build dam n430
Folsom Dam, Calif.
Agreement will hasten dam start n291
Fort Peck Dam, Mont.
Drainage system of wells reduces uplift pressure *249
Surge tank n*93
Fort Randall Dam, S. D.
Bidders see site n576
Earth dam to be constructed n303
Garrison Dam, N. D.
Bids below estimate n353
Bids to be called soon n*217
Main embankment (unit prices) 617
Gem Lake Dam, Calif.
Frost protection for concrete at elevation 9,050 ft. *610
Glen Canyon Dam, Calif.
Exploratory work starts n357
Grapevine Dam, Tex.
Construction starts n851
Heart Butte Dam, N. D.
Appropriation for construction n240
Bids asked n*624
Holtwood Dam, Pa.
Concrete tests from a 40-year old dam. H. S. Mattimore *731
